## Design Features

- 12 commercial grade, oil-rubbed bronze metal puck light fixtures illuminate up to a 50-foot area
- Flexible spacing - includes 22ft. lead wire and 10ft. spacing between lights. Burial grade cable allows hiding excess cable under mulch or soil
- Weatherproof - Commercial grade and UL-rated for permanent outdoor installations
- Free JascoPro Series App - no hub required
- Wi-Fi or Bluetooth setup and control
- Manual control button for manual operation
- Mobile or voice control - works with Alexa and Hey Google
- Selectable color modes - Choose from 56 single colors; holidays & events presets, 2- and 3-color combinations to create your own
- Dimmable - Full-range dimming
- Selectable white - 2200K - 6000K
- Schedules and timers
- Flexible mounting options - Mount lights facing up, down or stake into the ground. Stake as path, spotlight or accent light. Stakes included
- UL listed, FCC certified

## Additional Installation Information

- Landscape lights feature 18 AWG UV stabilized direct burial-grade cable. This allows you to conceal excess cable by directly burying it in the soil or covering it with garden bedding.
- When mounting lights up, use the keyholes on the back or ear-tabs on the side — screws not included.
- Use #6 pan head screws (not included) to mount each puck to a solid support structure such as joists, beams, studs and more.

## EASY APP CONTROL

Download the free JascoPro Series app to control your devices from anywhere.
